

Cyber Ambassadors

The Police and Crime Commissioner is inviting your establishment to take part in his Cyber Ambassador Scheme.

The scheme is based on the Youth Commission's #GoFISH (Go Find Internet Safety Help) campaign.

Using peer-to-peer education, the scheme supports education establishments in their efforts to promote good digital citizenship and deliver Cyber Education

Trained Cyber Ambassadors will deliver workshops, assemblies, take over days and information sessions to their peers, as well as parents.

Please contact the Scheme Coordinator for more information.
